

Lord Fairfax Community College (LFCC) Graduation Planner

Associate of Arts and Sciences Degree (AA&S): General Studies

61 credits required

This planner is designed to assist you in choosing courses during high school that align with the requirements for the AA&S degree in General Studies through Lord Fairfax Community College. The required courses through LFCC are listed in the left hand columns, with the SJHS course options to fulfill the degree requirements in the right hand columns. Please note there may be more course options listed than are required for a certain discipline; additional options offered at SJHS can be used as approved transfer electives.

Student Name:

Graduation Year:
